Henderson NC - These are not your Grandma's reunion t-shirts. T-Shirt Café started in 1997 offering it's customers a unique alternative to the typical t-shirt with that same out-dated tree design and '70s style lettering. When it comes to family reunion t-shirts most attendees never even know what the t-shirt looks like and probably count themselves lucky to be spared the anguish until the day of the reunion. The fate of the poor quality t-shirt, with a design unworthy to adorn your family's name, is already predestined. At best the t-shirt gets a few months use as a night-shirt until next year when you get to replace it with another ugly t-shirt or in a month's time you can find it in the car's trunk serving as a multipurpose car rag.

Most committees in charge of t-shirts starts with choosing a bright color t-shirt for maximum pop-appeal

and then follow-up with the design as the secondary concern. This is usually a mistake as it is proven that with exceptional graphic printed on even a simple white t-shirt is much more desired. Putting the creativity in the design and how the family's name is incorporated is the ultimate way to achieve maximum pop-appeal.

T-Shirt Café's attention to contemporary designs printed on top brand t-shirts, polo shirts, jerseys, tote bags and caps has earned a reputation for creating exceptional family reunion apparel. With hundreds of design options varying from humorous to heart-warming, hip-hop to elegant, the emphasis is always on the celebration of family. Along with helpful hints and valuable links, tshirtcafe.com

website offers free "Certificates of Award" to help pull off the perfect celebration.

Now with the latest internet technology, acquiring creative keepsakes just got easier and cheaper.

With a few clicks of the mouse you can customize your own t-shirt from the famous online design gallery and extensive garment options. Tshirtcafe.com t-shirt designer website requires no design skills and assist you every step of the way in adding your own text, changing design and t-shirt colors and even uploading your own design or photographs for instant review by your family or church members.

And if you still insist on that outdated design, you can even upload it and T-Shirt Cafe will work with that too.
